PUBLIC UTILITIES COMMISSION

DOCKET NO. 2004-763

DECEMBER 8, 2004

CENTRAL MAINE POWER COMPANY
Proposed Revision to Terms & Conditions.

ORDER APPROVING
TERMS AND CONDITIONS

WELCH, Chairman; DIAMOND and REISHUS, Commissioners

SUMMARY OF DECISION

By this Order, we approve Central Maine Power Company's (CMP or the Company) proposed revisions to Sections 7.1(B)(7) and 7.1(B)(8) of its Terms & Conditions.

DISCUSSION AND DECISION

On November 18, 2004, CMP filed proposed revisions to its Terms & Conditions, Section 7, Requirements For Single-Phase Overhead/ Underground Line Extensions Built And Owned By CMP, Customer Obligations. These revisions are made to cancel the following language in Section 7.1(B)(7)

CMP may provide a riser kit that includes the required components at the Customer's requests for a charge of \$125.00.

and the following language in Section 7.1(B)(8)

At the Customer's request, CMP will provide and install a trailer pole for the following prices:

New Trailer Pole - installed	\$625.00
Used Trailer Pole – installed	\$325.00
Anchor – installed	\$50.00

In a November 1, 2004 filing regarding these issues, CMP inadvertently removed the first sentence of both Sections 7.1(B)(7) and 7.1(B)(8). On November 18, 2004, CMP resubmitted a Second Draft to the first revision with those sentences still included. The proposed revision to page 7.06, Second Draft to First Revision, would cancel the provisions related to CMP's installation of riser kits and trailer poles. According to CMP, it no longer makes business sense for it to offer these services as customers can readily obtain them through a private contractor. CMP requests that the effective date of this change be December 1, 2004.

The Commission staff has reviewed the revisions to CMP's Terms and Conditions presented by its filing and finds those revisions to be appropriate.
